Game Rules — Kiskiack Golf Club

1

How It Works

A team game where your foursome alternates the number of net scores that count on each hole: 3 scores on the first hole, 2 on the next, then 1, then back to 3 — repeating the pattern across all 18 holes.

2

The 3-2-1 Pattern

Holes 1, 4, 7, 10, 13, 16 → **Best 3 net scores count**

Holes 2, 5, 8, 11, 14, 17 → **Best 2 net scores count**

Holes 3, 6, 9, 12, 15, 18 → **Best 1 net score counts**

3

Scoring

Add up all the counting net scores across 18 holes for your team total. That's 6 holes × 3 + 6 holes × 2 + 6 holes × 1 = 36 scores total. Lowest combined team score wins!

★ SKINS ALSO IN PLAY TODAY ONLY | Carry over if tied | A/B and C/D flights separate

7 Mike McKinney (12) • Brian Schroeder (19) • Bob Wise (22) • Brian Haas (28)

Tournament Directors: Dave Campbell Sr. • Dave Campbell Jr. • Mike Lane

Saturday: 40 Ball

Game Rules — Colonial Heritage

1

How It Works

Your foursome must take exactly **40 total net scores** across 18 holes. Each hole you choose how many of the four players' scores to count — at least 1, up to all 4. Your choices must add up to 40 by the end of the round.

2

The Strategy

Take fewer scores on tough holes and load up on easier ones. But be careful — if you don't take enough scores early, you'll be forced to count **every score** on the closing holes to reach 40.

3

Scoring

Add up all 40 counting net scores — lowest combined team total wins. With 4 players × 18 holes = 72 possible scores, you're picking the best 40. Choose wisely!

Par 3 Money Holes & Long Drive competitions also in play | A/B and C/D flights compete separately

Sunday: Lone Ranger / Tonto

Game Rules — Golden Horseshoe (Green Course)

1

The Setup

Before teeing off on hole 1, your foursome sets a **rotation order** for all 18 holes. Each player is the “Lone Ranger” on their designated holes — the rotation repeats every 4 holes through the round.

2

How Each Hole is Scored

On each hole two scores count: the **Lone Ranger’s net score** (mandatory) plus the **best net score** from the other three players (the Tonto score). Both scores are added to the team total.

3

Winning

Add up all 36 counting scores (2 per hole × 18 holes). **Lowest team total wins**. The Lone Ranger’s score always counts — no hiding! Pressure’s on when it’s your turn to ride solo.

Par 3 Money Holes & Long Drive competitions also in play | A/B and C/D flights compete separately

Special Competitions & Payouts

Par 3 Money Holes — ALL 3 DAYS

Every par 3 is a money hole! Net score on each par 3 determines the winner within each flight. Flights A/B and C/D compete separately each day.

Long Drive — ALL 3 DAYS

Designated long drive hole(s) each round. Must be in the fairway to count — no rough! Flights A/B and C/D compete separately.

Skins Game — FRIDAY ONLY (Kiskiack)

Lowest net score on a hole wins the skin outright. Tied holes carry over, building the pot — can't split a skin. Friday drama starts early!

DAILY PAYOUTS

Top 4 places paid out every day • Separate prizes for the daily game, par 3 holes, long drive & skins- may the best man win. Good luck, gentlemen!
